THE ISLAND

CONFIRMATION OF FIELD TRIP

Good Morning,

I trust that you are well and thank you the enquiry, Please see information with regards to school visits.

•

The Running of the day:

- Learners will have a short welcome on arrival as well as a run through of the day.
- Learners will then be split into two groups whereby one group will do a guided Island tour with one of our field rangers-Around our majestic wetlands
- The second group will do a guided boat ride around the canal- both activities are 35-40 mins each.
- The groups will then rotate.
- This will be followed by a break.
- After the break the learners will then do a educational activity of your choice.

-please choose one educational activities from the attached.

You are also welcome to let us know if there is anything you would like us to focus on and we could tailor make a program to your specifications.

To bring:

- Jackets ,rain coats depending on the weather
- Pencil
- Packed lunch
- Coins for vending machine

Please advise whether you would like to make a booking.

(Please see booking forms+ educational activities as per attached.

As per our conversation you would be able to conduct a scavenger hunt on the Island as you are a large group-Please advise if there will be any Adult/ Educators supervising?

As we re a nature reserve please note that there is no running permitted on the wetlands.
